WILMINGTON MIRROR

VOL. 1 WILMINGTON, MASS., THURSDAY, FEBRUARY 24, 1938 VOL. 10

APOLOGY

The Program Committee of the Fire Dept. Entertainment and Ball wishes to apologize for the absence of Walter G. Buckle's Adv. and for the mistake in William H. Doucette's Adv. which read Walter H. Doucette.

WELFARE NEWS

Jerome J. O'Leary, chairman of the local board, states that six have been dropped from relief rolls. These and the few that have been placed on WPA the past two weeks, has been well appreciated by this board. The last four months have been very strenuous ones, some Wednesdays being one o'clock in the morning before all the recipients were disposed of.

Monday night, the board met with the Finance Committee, in regard to their appropriations. A true picture of conditions was given the committee, which will enable them to make their recommendations.

KEYHOLE

We understand that Ed Wellings, of Glen Road, sent his wife to New York on a vacation. She and baby Pat are visiting friends. Very thoughtful of you, Eddie, but what about all us other poor fish, our wives are all hollering, "Why don't you do something like that for me?" G-r-r-r. P.-S. Just between you and I he whishes she'd hurry back, he's getting sick of eating out of cans, and washing floors.

HIGH SCHOOL

Last Monday evening, the High School Seniors held a Poverty Dance under the chairmanship of Francis Babine in the High School Gym.

The Jeeps bowled over the Leaders, and the Buttercups plowed the Terries under. No this isn't a story from the comic pages, its the team results of the new High School Bowling league. Both winners are Seniors while the losers poor Juniors.

AMER. LEGION AUX.

The American Legion Post 136, Auxiliary, held a meeting at Legion Hall last Monday evening. The meeting was presided by Mrs. Alice Lee. Refreshments were served by the Committee composed of Mrs. James White, Mrs. Charles Buck, and Mrs. Gladys Babine.

Around the Firehouse

One of the most gala Entertainment and Dance of the past year was held by the Fire Dept. last Tuesday evening in Grange Hall. A success beyond imagination, high credit is due the Committee who worked so hard. From the time you entered the Hall, that was so gayly decorated until the orchestra played Home, Sweet Home, there never was a dull moment. The Entertainment, Clean and Wholesome was the best obtainable.

Honored Guests were Rep. Herbert Trull, Selectmen Harold Melzar, Charles Black and Frederick McQuaide. The Committee was composed of: James Castine, General Chairman of the Program; assisted by Chief Edwin L. Day, Asst. Chief Winfred Rice, Captains Chester Horton and Donald Foster, James Watters, Rupert Deming, William Townsend, Harry Cutter, Herman Peitzch, John Regan, Norman Rice, James W. Gracie and Harry Quigley.

The decorating in the Hall was done by Carl Dreger and Leslie Stevens.

One of our visiting Fire Chiefs must have enjoyed himself, as he and his partner stayed until the spark had left the Ball.

WITH THE LEGIONAIRES

Bingo Games will be resumed again on next Tuesday, March 1st. Every Tuesday will be Bingo night at the Legion Hall. Come up and see what we are giving in the line of prizes. There are a lot of Bingo Players who go to out of town parties, who should come up and try their luck with us. The chances of winning a prize here are better than at the big parties.

Help the boys in the Junior Legion along and buy a chance on the kitchen set which they are offering as a prize. A set of colors is their objective and we hope that they can get them for Memorial Day.

Mrs. Delaino conducted another Whist Party for the Auxiliary on Thursday of last week. The Drawing of the Afghan that the Auxiliary has out on chance books will be drawn at the next Bingo Party next Tuesday night at the Legion Hall. All books must be turned over to Mrs. Delaino before next Tuesday.

BOY SCOUT NEWS

At last, the Boy Scouts here in Wilmington, are going to have a camp of their own. Yes, and it is going to be a "cabin in the woods". In outer Ballardvale St. near the Andover line, a camp is rapidly being constructed of cabin type for the Boy Scout troops here in Wilmington. It will prove to be a valuable asset to the Boy Scouts as well as a terminus for many of their hikes on Saturdays and holidays.

At present, land has been donated through the generosity of the Rev. Mr. Simmons and virtually deeded over for this project. The Town Cemetery Committee has offered enough logs for the construction of the camp. But, the Boy Scouts being an organisation, partially supported by the voluntary contributions of the people of Wilmington, appeal at this time to the generosity of the merchants and the residents of the Town to give them donations towards the completion of the new camp.

We need money for some lumber, nails, spikes, roofing paper, cement, etc. Any contribution, no matter how small is welcomed.

Donations will be gratefully received if given or sent

We hope there will be a large attendance.

Happy are we to hear that the Junior Christian Endeavor was awarded second prize for attendance by the Sagamore Union. Congratulations.

The Co-Operative Bank Plan Of Systematic Saving

Saving regular amounts monthly is a simple, easy, sure way to accumulate funds. It provides both a goal and a sure-fire method of reaching that goal in a comparatively short time.

If you have an account with us, - Add one or more shares to it.

If you have no account with us, - Begin now with any number of shares from one to forty.

DON'T FORGET

On Monday evening, February 28th, THE GRANGE is putting on a Comedy, titled, "The Meddlesome Maid." We feel sure that if you'll go see this play, you will have no regrets, as the curtain falls on the closing of the last act.

THAT'LL BE THE DAY

That - Tony Horton gets caught whispering, - That - All the streets of Wilmington will be paved, - That - Benny Harrison breaks 250, - That - Eaton and Williams won't be together, - That - Doc Fagan will be walking alone, - That - we won't have mud in the spring. But don't get me wrong, as I love Wilmington.

LIST OF POSSIBLE CANDIDATES IN COMING TOWN ELECTION

The Nomination Papers of the following candidates for office in the Town Election were filed with the Board of Registrars for certification. In order for the names of these candidates to appear upon the ballot, these papers must be filed with the Town Clerk on or before Thursday, February 24th, at 5 P. M.

Selectmen, Michael H. Barry, Charles H. Black, David I. Elfman, Frank W. Dayton, Vinal E. Lewis, Frederick J. McQuaide, Harold E. Melzar; Treasurer, Frank L. Eames; Tax Collector, Geo. W. Buck; Town Clerk, Wm. S. Cavanaugh, Ralph R. Currier; Constable, Harry J. Ainsworth; Tree Warden, J. W. Babine, Ernest W. Eames, Elmer V. Gratcyk; School Committee, Vilma B. Bedell, Roy A. Bousfield, Samuel F. Frolio, Olina H. Norcross; Board of Welfare; Jerome J. O'Leary; Water Commissioner, L. T. McMahon; Moderator, Philip B. Buzzell; Library Trustee, Charlotte Hathway, L. T. McMahon, S. D. J. Carter; Committee, John W. Hathway; Trustee of Trust Funds, Edward N. Eames; Planning Board, Edward M. Neilson; Assessors, Walter G. Buckle, Lawrence H. Cushing, Harry W. DeLoria, William H. Doucette, James R. Gracie, Peter Neilson, Charles E. Rice.

The above list shows the possible ballot. Remember the names cannot be placed on the ballot unless the papers certified by the Board of Registrars are filed by the candidates with the Town Clerk within the specified time. This list shows contests in five offices of the Town, namely: Selectmen, Town Clerk, Tree Warden, School Committee, and Board of Assessors.

For the first time in many years there is no contest for Board of Public Welfare. Perhaps the reason for this, is that either no one wants one of the most thankless and difficult jobs in the town, or else people are satisfied with the present Board.

The contest for Selectmen, shows seven possible candidates, including the present encumbents. A new candidate aspires to the office of the Town Clerk as opposed to the present office holder.

The present Tree Warden has opposition from two sources, both of whom are ready for the final gun.

For School Committee, the runner-up of last year, and one wishing to represent the youth of the town on that Board will oppose the two female members of the present Board.

The office of Assessor seems to be causing the greatest interest with several candidates aspiring to the position now being relinquished by the present encumbent.

All other offices have little or no opposition.

Work or Welfare

In the past year, Welfare costs have risen sharply to the highest peak ever known in the history of the town. With conditions as they are, the outlook for a lower welfare appropriation seems very unlikely. It is our stand, that this is neither the fault of those unfortunates who are compelled to look to the town for aid, nor is it the fault of those who administer the Welfare Department. In all fairness to the Welfare Board, we believe that we have the finest, most sympathetic, and most unbiased Board we have ever had in the Town, and our hats are off to them. Those who have contact with them are of the same opinion.

However, and we are sure the Welfare Board, would like to see the able men who are welfare recipients gainfully employed on projects which will eventually bring some revenue to the Town or increase its valuation. This is something which will give aid in more ways than one.

We are of the opinion, that this should be made a factor in the coming election. Each candidate should be questioned as to his intentions in this matter. It is up to the people to decide. Think wisely and get the most for your money.

Since this paper is the only organ in town which reaches a majority of the townspeople, we invite the candidates for the office of Selectmen, to write us giving us their stand in this matter. We demand the right to publish each and every letter over the signature of the writer. We will, in turn, guarantee fair and impartial treatment of any correspondence from any candidate.

BOARD OF TRADE

The Wilmington Board of Trade held a meeting at the Town Hall, Thursday, February. 17th., when the matter of industry locally was again taken up. During the past year or more the Board of Trade has been trying to interest some Industry to locate here. They have been unsuccesful so far, but have not given up their attempts. The Town is handicapped in this matter by a high tax rate which seems to be a deciding factor in locating any business here.

The next meeting will be held at the Town Hall, Tuesday, March 8, at 7 P. M. This meeting will be a supper meeting and a delicious supper will be served. Speakers will be invited to give appropriate talks on matters of interest to the Board of Trade. The committee in charge of the supper meeting will be Mr. William Cavanaugh, Mr. Morris Weinberg, and Mr. Fred Cain.

COMMUNICATION

To the Citizens and Taxpayers of Wilmington

In the coming election, I am a candidate for school-committee, and most sincerely solicit your support by voting for me.

Many of you know the qualifications which fit me for this office, but for the benefit of those who do not, I will state that I have taught in the Wilmington High School for eleven years, and therefore know the needs of our pupils. I am, and have been for the past twenty years, a Real Estate taxpayer; therefore know and appreciate the taxpayer's burden. My elementary and High School training was received from the Wilmington Schools, my college education from Tufts, and my Master's Degree in Education from Boston University.

Many citizens have requested a satement from me as to my policies as a School Committeeman, and I herein state that,

1. It is my belief that the young men and women of Wilmington who possess the qualifications of a teacher should have first consideration in the Wilmington Schools, regardless of race or creed.
2. The health of the pupils should be protected by the security of their own homes during inclement weather. Surrounding towns have taken this precaution and it is so little effort to sound the no school alarm.
3. I also believe that each pupil should receive the greatest value from whatever minimum appropriation the taxpayers are able to make at their annual town meeting.
4. The post of school committeeman fundamentally is a position of honor, and I intend to keep it so. There are no political plums that I wish to secure for myself.
5. Last, but not least, will state, that I possess the courage of my own convictions and only honesty and justice shall receive my support.

Sincerely yours,
Samuel F. Frolio.

REGISTRATION

According to reports released by the Board of Registrars, about one hundred and four new voters have registered in the past two sessions. With one more day in which to register, it may well be expected that the mark will reach two hundred or more. Don't forget the last date for Registration of Voters is Wednesday, February 23rd. The hours will be from 12 o'clock noon until 10 P. M.
